REFERENCE POINT:

Kuybyshev/Bezomyanka Airfield, BE No [redacted] 53°13'10"N - 25X1A
50°19'10"E.

LOCATION:

12 nm southeast of reference point.

FUNCTION:

One of a group of sites deployed for the defense of Kuybyshev.

SITE STATUS:

Mid stage of construction.

REMARKS:

Excavation of the six launch pits, the guidance area revetments and the missile hold revetments has been completed. Initial clearing has begun on the complex network of service roads. Four support buildings probably for personnel and construction equipment are located at the site.

Site is situated on relatively flat terrain near the edge of a forested area.

A SAM support facility 16 nm to the northwest probably will serve the site.
